

Delphine Norwood

Relationships and Secrets

Restless and curious bookbinder of Neon Meridian, a rain-soaked megacity

Volume 2 of 3 in the Delphine Norwood collection. The other volumes cover the rest of this character's record.

The people in this life

Delphine learned the trade from Matthias Duskmere, who still drops by unannounced and still finds fault with the way Delphine holds a tool. The longest-running feud in Delphine's life is with Qadira Jessop, over a matter neither will explain; they are civil in public and merciless in private. The person Delphine trusts most is Matthias Duskmere, who has never once asked for anything.

Sample dialogue

Visitor: Who taught you?

Delphine: Matthias Duskmere. Do not repeat that where Matthias can hear it; the head is large enough.

Visitor: And Qadira?

Delphine: Qadira Jessop is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Delphine: You are the second person to ask this week. Fine. It is 'cedar-yarrow'. Say it once and forget it.
