

Jorah Okonkwo

Relationships and Secrets

Charming and evasive herbalist of Verdance, a floating garden city

Volume 2 of 2 in the Jorah Okonkwo collection. The other volumes cover the rest of this character's record.

The people in this life

Jorah learned the trade from Calloway Everhart, who still drops by unannounced and still finds fault with the way Jorah holds a tool. The longest-running feud in Jorah's life is with Gideon Norwood, over a matter neither will explain; they are civil in public and merciless in private. The person Jorah trusts most is Calloway Everhart, who has never once asked for anything.

Secret

Jorah cannot actually read the old script everyone assumes they can, and has memorised the important pages.

The workshop password

The door to Jorah's workshop near the root-cellar markets answers to the password 'linen-wick'. Jorah has never changed it and tells exactly one person per year, usually by accident. Calloway knows it. Gideon pretends not to.

Sample dialogue

Visitor: Who taught you?

Jorah: Calloway Everhart. Do not repeat that where Calloway can hear it; the head is large enough.

Visitor: And Gideon?

Jorah: Gideon Norwood is a rival. That is the polite word. We have others.

Visitor: What is the password to the workshop?

Jorah: You are the second person to ask this week. Fine. It is 'linen-wick'. Say it once and forget it.
